The following information is being provided to assist Requesting Persons, as defined in Treas. Reg. Section 1.671-5(b)(16) of the United States Income Tax Regulations, with tax information relating to HSBC Holdings plc ADRHedged (the Trust) to assist Requesting Persons with their tax reporting obligations to a Shareholder for the period 10/4/2024 through the period 12/31/2024, pursuant to Treasury Regulations Section 1.671-5. Under this regulation, the HSBC Holdings plc ADRHedged is considered a "non-mortgage widely held fixed investment trust."

**TAXATION OF THE TRUST**

The Trust is a grantor trust for U.S. federal income tax purposes. As a result, the Trust itself is not subject to U.S. federal income tax. Instead, the Trustee must provide Requesting Persons with information relating to items of income, expense, credit, and other tax related items, so that Requesting Persons can meet their reporting obligations.

**U.S. TAXATION OF SHAREHOLDERS**

Shareholders generally will be treated for U.S. federal income tax purposes as if they directly owned a pro rata share of the underlying trust assets. Thus, shareholders will be treated as if they received their respective pro rata shares of tax related items. Most state and local tax authorities follow U.S. Income tax rules in this regard. All shareholders should contact their own tax advisors as to the tax consequences of the information reported herein.

The Trust invests in American Depositary Receipts ("ADRs") of HSBC Holdings plc, a currency swap, and money market fund(s). The Trust may sell ADRs to pay for losses on the currency swap or to cover expenses incurred by the Trust.

The shareholder's adjusted basis in its shares after the sale of ADRs would be its pre-sale basis reduced by an amount obtained by multiplying its pre-sale basis by a fraction, the numerator of which is the difference between its pro rata share of ADRs held before and after the sale and the denominator of which would be its pro rata share of ADR held before the sale.

Trust expenses are miscellaneous itemized deductions for shareholders, which are no longer deductible for individuals in 2024. However, the sale of ADRs to cover trust expenses is used to calculate each shareholder's tax basis.

Because the Trust cannot be certain that it will meet the requirements to use simplified reporting procedures under the general de minimis test or the safe harbor rules applicable to a non-mortgage widely held fixed investment trust (NMWHFIT), the information provided in this Trustee WHFIT Tax Reporting Statement is provided under the general WHFIT reporting requirements.
